

Mrs. Maimuna Taal-Ndure

Education and Credentials

Mrs. Maimuna Taal – Ndure is the Technical Officer Airworthiness at the International Civil Aviation Organization (ICAO). She Joined the Operations section of the Air Navigation Bureau in September 2015. She is a holder of a BSC degree in Aerospace Engineering from the University of Hertfordshire and an Airframe and Powerplant Engineer License from the US Federal Aviation Administration.

Maimuna has extensive knowledge of ICAO provisions related to the airworthiness of aircraft and has over 16 years of experience in the field of Civil Aviation Safety oversight related to aircraft airworthiness. She rose through the ranks of the Gambian Civil Aviation Authority (GCAA) to the post of Director General and Chief Executive Officer of the Authority where she was responsible for the full range of aviation regulatory activities including the performance of the role of head of secretariat for the BAGASOO formerly known as the Banjul Accord Group.

Maimuna’s professional experience also includes a background in various positions as an airworthiness inspector at the GCAA, Consultant with ANB ICAO headquarters and Airworthiness Adviser on the ICAO projects in Namibia.

Notable Achievements

Maimuna is a recipient of the 2007 Flight Safety Foundation President’s Citation for her work in improving aviation safety in Africa.

Closing Statement

She is a British citizen with Gambian nationality and married to Mr. Ebrima Ousmane Ndure, a native of the Gambia. She has two children.
